

Commencement of Legal Proceedings against Europe Market Holding.

I am writing to officially notify all interested parties that legal proceedings have been initiated against Europe Market Holding, a conglomerate of brokerage companies, for alleged fraudulent activities within the financial sector. The commencement of these legal proceedings is a critical step towards addressing the issues at hand and ensuring justice is served.

The legal action has been initiated due to the serious allegations of fraudulent practices and financial misconduct committed by the Europe Market Holding and its subsidiary entities. These allegations have raised concerns regarding the integrity and compliance of their operations with established laws and regulations.

The initiation of these legal proceedings signifies our commitment to upholding the rule of law, safeguarding the interests of all stakeholders, and ensuring accountability for any wrongdoing in the financial industry.

Furthermore, it is imperative to inform you that a competitive tender was conducted on December 04, 2024. This tender process resulted in the selection of the company named "Secure Refund Partners" as the successful bidder. The tender was conducted in full compliance with all relevant legal and regulatory requirements, and the selection of "Secure Refund Partners" as the winning candidate was executed in strict accordance with the established criteria and evaluation process.

As we proceed with the legal proceedings against Europe Market Holding and its affiliated entities, we are committed to a thorough, impartial, and transparent examination of all allegations and legal arguments. We hold firm to the principles of justice, accountability, and fairness throughout this process, and we will keep all stakeholders informed of the developments and outcomes as the legal proceedings unfold.

For any inquiries or further information regarding this matter, please do not hesitate to contact our legal department.

Thank you for your attention to this important notification. We anticipate a just resolution of the issues at hand and will work diligently to maintain the integrity of the financial industry.

Sincerely,

Deputy Director. *Remonda Moller*
